

# Yosemite West Property and Homeowners, Inc.

## Annual Memorial Day Yosemite West Community Picnic

Monday  
May 28, 2018  
9am

Location  
Nature Bridge  
National Environmental  
Science Center  
at the corner of Hwy 41  
and Hennes Ridge Dr

Expect easy breakfast food and drinks.  
Our location has picnic tables to sit at.  
There is electricity, but running water is  
not available. Your potluck items will be  
much appreciated.

Please join us! Both members of the  
Yosemite West Property and  
Homeowners, Inc. (YWPHI) and all  
Yosemite West residents are invited to  
participate.

Our picnic this year will take us to the  
newly built Nature Bridge Center right  
here in our neighborhood. With guest  
speaker Moose Mutlow, Senior Projects  
Director at Nature Bridge, we will be  
embarking on a VIP tour exclusive to  
Yosemite West residents.

Conversation topics for our picnic:

- Nature Bridge National Environmental Science Center, its goals and expected opening in August 2018
- plans for Hennes Ridge Firehouse as proposed by Nature Bridge and possibilities for funding
- Successful completion of our two California Fire Grants
- Value of paid YWPHI memberships for a sustainable community

Hear updates about the goings-on in our  
community and mingle with neighbors.
