

YOSEMITE WEST COMMUNITY MEETING AGENDA

July 26, 2019

10:00 AM to 12:00 PM

NatureBridge Campus

Heness Ridge Road

PURPOSE: The purpose of this 2-hour meeting is to begin a conversation regarding the NPS's interest in connecting the National Environmental Science Center campus to the Yosemite West water system and development of a secondary water source for the Yosemite West community, NESC, and housing developed for Conservancy and NPS employees.

OBJECTIVES: By the conclusion of the meeting, participants will...

- Understand the NPS request and what partner organizations can offer the Yosemite West community in the short term.
- Have had opportunities to contribute ideas, ask questions, and express concerns.
- Clearly understand the next steps and action items.
