**EXTENSION, RESPONSE TO NOTICE OF VIOLATION, MARIPOSA COUNTY
DEPARTMENT OF PUBLIC WORKS, YOSEMITE WEST MAINTENANCE DISTRICT
WASTEWATER TREATMENT FACILITY (WDID 5C221002001, RM 387616), MARIPOSA
COUNTY**

On 30 August 2012, Central Valley Water Board staff issued Mariposa County Department of Public Works a Notice of Violation that cited the County in violation of Waste Discharge Requirements Order 99-004, which regulates the discharge of undisinfectated secondary treated wastewater to land from the Yosemite West Maintenance District Wastewater Treatment Facility. The NOV requires the County submit various written certifications, explanations, and technical reports by 1 October 2012 and 1 November 2012.

By 26 September 2012 letter, you request an extension of the above deadlines from 1 October 2012 and 1 November 2012 to 1 November 2012 and 1 December 2012, respectively. You state that the extension is needed to allow sufficient time for the County's consultant to develop an inclusive and well thought out response to the NOV.

The request for additional time is reasonable; the new deadlines are **1 November 2012** and **1 December 2012**.

For enforcement purposes, these dates do not extend any due dates in the Waste Discharge Requirements or Cease and Desist Order R5-2003-0070.

If you have any question regarding this matter or require additional time to comply, please contact Daniel Benas at 559-445-5500 or at dbenas@waterboards.ca.gov.
